

CYO SPORTS INFO

CYO Sports Needs Your Help!!

Winter sports are underway and the CYO program needs your help!!

We need one or two volunteers to coordinate and oversee the yearbook photos. This requires a few hours of upfront planning and two evenings of your time to be on-site and work with the photographer.

We are playing basketball games at McClunn Hall this year!! In order to host games, we need volunteers to open the gym at 9:30 on Saturday mornings and close the gym at 3:00. This does not have to be one person; I will build a schedule according to your availability. Your time commitment for the opening/closing duties will not be more than one hour per event..

For more details, or to sign up, please contact Frank Vassallo at
